Re: *Arrabito v. First Unum Life Insurance Company et al*
1:24-cv-05054-GHW-JW

Dear Magistrate Judge Willis:

In accordance with Subsection 1(e) of the Court's Individual Rules of Practices in Civil Cases and Local Rule 7.1(d), the parties jointly request the Court to adjourn and reschedule the telephonic Initial Case Management Conference currently scheduled to occur on October 9, 2024, at 11:00 AM EST to any of the following dates or another date and time that the Court deems appropriate: (1) October 14, 2024; (2) October 21, 2024; or (3) October 25, 2024.

For grounds, the parties note Plaintiff's counsel is scheduled to appear in another civil matter on the same date and time as the telephonic Initial Case Management Conference and would not be able to attend and participate in ICMC. To preserve judicial economy and ensure counsel for both parties can attend and participate in the telephonic Initial Case Management Conference, the parties request that it be rescheduled to any of the above dates or another date and time that the Court deems appropriate.

The parties further note this is the first time they are requesting an adjournment and/or extension of time. Furthermore, the parties do not believe rescheduling the telephonic ICMC to one of the proposed dates would adversely affect or impact any other currently scheduled case deadlines.

For the reasons stated above, the parties respectfully request the Court to adjourn and reschedule the October 9, 2024, Telephonic Initial Case Management Conference to one of the above proposed dates or another date and time the Court deems appropriate.

Respectfully submitted this 1st day of October 2024.
